## **2012 Project ReRoof**

ON JULY 20, 2012 PROJECT REROOF WAS COMPLETE!

Project Re-roof, first established in 1989 with the re-roofing of Sierra Hillview Acres Children's Home in Chino Hills, is now recognized by the roofing industry the annual contribution back to our communities of what the we do best, *put a roof over the heads* of needing charitable organizations. Each year a new site is selected, manufacturers, suppliers and contractors donate materials and services, and a new crew of Roofing All Stars accomplishes a miracle.

This year we selected the Apage House of Prayer in in Anaheim. The House of Agape Prayer provides education, shelter, food and supplies for "at-risk" children in their community.

This project would not be possible without the generous donations from our members.

Companies that donated are as follows:

**Cal State Roofing (labor for tear off)**  
**Lang Roofing (material and labor)**  
**Howard Roofing (material and labor)**  
**DePinho Roofing (labor)**  
**Chapman Coast Roof (material and labor)**  
**Malarkey Roofing Products (shingles)**  
**South Coast Shingle (delivery of all materials)**  
**Inland Pacific Roofing**

**A special thank you to Dave Chapman, Chapman Coast Roof. Dave Chapman was the committee chair. Dave organized the project which included obtaining the permits and scheduling. The 2012 RCA Board of directors covered the tearoff.**

Thank you all for your support! If you wish to nominate a non profit organization for 2013, please contact our office at (714) 630-7000 ext. 112
