

Our project ReRoof was completed last Saturday, August 27, 2011.

We are the Roofing Contractors Assn. of Southern California. Project Re-roof, first established in 1989 with the re-roofing of Sierra Hillview Acres Children's Home in Chino Hills, is now recognized by the roofing industry the annual contribution back to our communities of what we do best, *put a roof over the heads* of needing charitable organizations. Each year a new site is selected, manufacturers, suppliers and contractors donate materials and services, and a new crew of Roofing All Stars accomplishes a miracle.

This year we have selected "The Dugout". This project would not be possible without the generous donations from our members. Ron Malekow, Howard Roofing Company, was the committee chair. Ron Malekow organized the project which included obtaining the permits. Companies that donated are as follows: Inland Pacific Roofing, Lang Roofing, South Coast Shingle, MCA Clay Roof Tile, Structural Materials and Chapman Coast Roof.

The Roofing Contractors of Southern California is comprised of almost 100 local roofing contractors and suppliers. The **J. O. Nienow Memorial Scholarship** is one of two RCASC prized commitments, *the other being Project Re-Roof*. Nienow Scholarships provide financial assistance for graduate or undergraduate level studies at a college or university for the members of the RCASC family. Since 1993, we have recognized the achievements of 67 students. The primary source of funds for the scholarships is the **Jim Nienow Memorial Golf Tournament**. **Over the last three years we have awarded almost \$50,000 to deserving students.**

**THIS YEAR WE HAVE AWARDED 15 SCHOLARSHIPS IN THE TOTAL AMOUNT OF \$20,000.00. Our tournament will be held on September 12, 2011 at Talega Golf Club in San Clemente. All proceeds go directly to our scholars.**
